PAYMENT OPTIONS

Edgewood Academy utilizes FACTS Tuition Management for collection of tuition, fees and other incidentals.

- New families will select a payment plan during the online enrollment process. If your balance due by 8/1 falls below a minimal amount your account may be adjusted to two semester payments.
- Returning families with an existing FACTS account will be automatically rolled over to the same payment plan, unless your balance due by 8/1 falls below a minimal amount. In that case your account may be adjusted to two semester payments.
- Payment options include annual, semester and monthly payments. Accounts not paid in full must be paid by automatic draft. *A tuition discount of 2.5% is applied to accounts paid in full.*
- All fees, except the registration fee, are paid on the same payment schedule as tuition payments. If you desire to pay fees in full or make any other changes to your payment plan, contact tpowell@edgewoodacademy.org 3 days prior to the first payment date.
- Tuition includes one yearbook per family. Families will have the option to purchase additional copies later in the school year.
- The Academic/Activity Fee includes textbooks, workbooks, online curriculum, technology and lab fees, student insurance and admittance into regular season home athletic events for each registered student.
- The Athletic Fee is paid once each year and is charged only if the student participates in an athletic activity.
- Classes, clubs, electives and athletics may require additional fees and/or dues and will be billed through your FACTS account.
- Onsite After School Care (ASC) is available for an additional fee and will be billed through your FACTS account.
